Re: FOIA Case No.: 14-096

Dear Mr. Vera:

This is our final response to your Freedom of Information Act (FOIA) request perfected on December 31, 2014 and assigned FOIA Case 14-096 by the Defense Threat Reduction Agency and United States Strategic Command Center for Combating Weapons of Mass Destruction (DTRA/SCC-WMD). You requested documents pertaining to your research of the contamination of the soil and ground water, with radioactive isotopes, at the former George Air Force Base, California. Specifically, you requested the "record bibliography" and "record index" from all sources with the subjects or keywords "Victorville", "George Air Force Base", "George AFB", "GAFB", and/or "CA2570024553".

Enclosed is a copy of the record responsive to your request. This record is released to you in full. Additionally, current hyperlinks to items 2 - 5 on the enclosed document are listed below:
